Subject Draft Subpart W Preamble and Rule Language

Hello All,

My apologies on springing this on you the Friday afternoon before a holiday week, but attached you will find the revised draft preamble and rule language for Subpart W. The biggest change you'll notice since the last draft is that the we have (b)(5) - Deliberative Process Privilege

I'm asking that you provide your comments to me no later than Monday, December 5. I will take your comments and incorporate them into the draft, and I'll be scheduling a workgroup meeting for Monday, December 12. I would like to poll the workgroup at that time to see if we are ready for FAR. If we agree, I'll try to get the FAR meeting scheduled for the week of January 16, 2012 (actually beginning with the 17th, since there is a holiday).

As always, thank you for your participation, and please don't hesitate to contact me if you have questions. Thanks again.

Reid
